None of the blocks are ready for construction because the Suburban Land Agency is still performing works on the land. It is estimated that the Suburban Land Agency works will be completed during the Estimated Date Range for Works specified on the available blocks list. Once the Suburban Land Agency works are complete, completion of the sales of the blocks will take place in accordance with the First Grant Contract. Once the sale of the block has been completed, the block will be ready to be built on.

### **Registering for the Book to Buy Sales Event**

You may register for this sales process by completing the Online Book to Buy registration form on the Suburban Land Agency website. Upon registration, the Suburban Land Agency will allocate a Book to Buy ID Number to each eligible registration.

### **Draw for Block Selection Appointments**

The Suburban Land Agency will conduct a draw of all Book to Buy ID Numbers to determine the order for Block Selection Appointments. If successful in the Draw, you may be provided with a Block Selection Appointment time and asked to provide personal and company identification documentation. If requested, you will need to provide the documentation by 12:30pm, Thursday 29 October 2020 to participate further in the sales process.

### **Block Selection Appointments**

The number of Block Selection Appointments offered will depend on the number of Registrants who register their interest and provide the documentation requested by the Appointed Sales Agent, up to a maximum of 500 Block Selection Appointments.

All successful Registrants will be notified of their Block Selection Appointment time by email. If you do not have internet access, you may obtain a copy of the Block Selection Appointment times by contacting the Appointed Sales Agent.

If any blocks remain following the Block Selection Appointments, sale of these blocks will be at the Suburban Land Agency's discretion.

### **Attending your Block Selection Appointment**

Your Block Selection Appointment will be for a window of one (1) hour. During this time, you will receive a telephone call from the Appointed Sales Agent.

You must confirm your Block Selection Appointment with the Appointed Sales Agent who will ensure that you have all the required documentation. If you do not confirm your Block Selection Appointment, you will not be called and you will miss your opportunity to select a block.
